'39='40 Review

Here's the best of everything to the other Rita, the best pal this kid has ever had. I'll look forward to your letters and hope we can manage to go to college together. I wouldn't mind spending four more years with that girl friend of mine.

Readers--

The poem which you see on this page was called to our attention by Mr. Brennan. The author, James F. Reece, was principal of the Chase High School at the time it was written. We liked the poem and for that reason we had it printed here for you.

YOUR SCHOOL AND YOU

If you want to go to the kind of a school
That's the kind of a school you like,
You needn't slip your clothes in a grip
And start on a long, long hike.

You'll find elsewhere what you left behind
For there's nothing that's really new,
It's a knock at yourself when you knock your school
It isn't your school, it's you.

Real schools aren't made by pupils afraid
Lest somebody else gets ahead;
When everyone works and nobody shirks
You can raise a school from the dead.

And if while you earn the honors you crave
Your neighbors may earn some too,
Your school will be what you want to see,
It isn't your school, it's you.

And if in life your battle is won
Through constant toil, and morals true
It's the cooperation of more than one,
It is the work of the school and you.

—James F. Reece

Senior Class History

In the first week of September, 1936, our Alma Mater welcomed twenty-eight bashful lads and lassies, at that time the largest class ever to be enrolled in the Andale High School. Four years have passed since that time; our original group of twenty-eight has lessened to an even twenty.

Our sponsor during our freshmen year was Sister Victorine. At that time our class received outstanding recognition due to the fact that one of its members, Leo Wetta, won five dollars for an oration given at a banquet of the Wichita Business Men's Association. When we came back to school the following September, our class, under the sponsorship of Mr. Knoop, initiated the freshmen.

In our junior year a new member, Jon Cochran, was added to our class. We were not in the spotlight until we presented the three-act comedy-farce "His Ozark Cousin." Two of our class members participated in the play contest —Alphonse Schaplowsky won a superior rating. Rita Batka won several outstanding awards on her music. She received a medal for voice from the school, a rating of good at the State Contest held at Emporia, and an excellent rating at the District Contest. Leon Meyer was the proud receiver of a silver loving cup given for speed in typing. On April 29, we were hosts to the seniors of '39 at the annual Junior-Senior Banquet, in which we carried out the theme, "A Decade of Progress", with the help of Sister Silveria.

We were the first graduating class to be enrolled in the new high school. On December 22, each member of our class took part in the Christmas Pageant. For our motto we chose one which each member strives to live up to: "Speak true, live pure, and right wrong".

Junior Class History

When we enrolled as bashful freshmen in the fall of 1937, our class numbered twenty-two. Sister Mary Victorine was our class sponsor. During that first year we planted trees and donated the statute, "Study" to the school library.

Returning the next year as sophomores, we found that two of our classmates, Bill Peltzer and Vincent Hoheisel, had enrolled in another school. A third classmate, Herman Bogner, had decided not to come the second year so only nineteen sophomores answered roll call that year.

As juniors we were very much gratified to find that three new members had joined our class. Bill Peltzer had returned from Garden Plain; Eileen Doffing had come to us from St. John's Academy in Wichita; and Gertrude Kruse resumed her studies after being out of school one year. At the beginning of the second semester, we were glad to welcome two more new members, NaDean Whitmer, from Dorrance, Kansas, and Eylene Kerschen.

During this last year we resumed the paying of class dues. This money was saved for our prospective senior tour next year. Our most important activities as juniors were the junior play, "Too Many Smiths", and the junior-senior banquet.

During our three years of high school life, various juniors were members of "The Shadow" staff, of operetta and all-school play casts, of football, baseball, softball, basketball, and track teams. Last spring one of our classmates, Archie Forster, played a clarinet solo at the All-State Music Festival at Emporia, thereby winning recognition for himself, his class, and his Alma Mater. Next fall will find us the "Seniors of '41".

Football

Last September about thirty-five boys attended the first football practice. Many of them were small and the football coach, Mr. Shilts, had a huge task on his hands to pick the starting eleven for the ensuing grid season, because five of last year's starters were lost by graduation. He finally arrived at the conclusion that Urban Falk, Jon Cochran, Paul Fouquet, Rich Orth, Ray Reichenberger, Roman Breitenbach, H. J. Schmitz, Jr., Al Schaplowsky. Eugene Winter, Francis Raple, and Gerald Kerschen would represent the Hawks on the home gridiron against Valley Center.

The lettermen, as on the football picture, were: Ist row: M. Stallbaumer, P. Fouquet, R. Orth, J. Cochran, A. Schaplowsky, B. Peltzer, J. Schmitz, F. Raple, E. Winter, P. Kraus, W. Bean, R. Breitenbach, and Coach Shilts.

Basketball

This marked the first year A. R. H. S. participated in basketball. From a beginner's standpoint, although not winning many games, the season was a success. The new gym was greatly appreciated by all the players.

There were both first and second teams in the Sedgwick County League; both were entered by Hawk fives. The first team lost all their games, but if more experience had been present, this team had plenty of talent to be a threat. The second team was more successful, winning four while losing five.

The players on the basketball squad are: kneeling, B. Peltzer, L. Wetta, A. Schaplowsky, H. Schmitz, R. Reichenberger, K. Fouquet and G. Kerschen; standing, M. Stallbaumer, E. Winter, J. Cochran, W. Voegeli, R. Orth and P. Kraus.

Baseball

About three weeks before the first ball game with Sedgwick, April 19, twenty boys reported for the first baseball practice. At that time Leo Wetta was elected captain for the coming season. Every afternoon at three o'clock the team holds a one-hour practice session on an improvised diamond east of the school under the coaching of Mr. Shilts.

As a result of last year's graduation the team had to be completely rebuilt. After much deliberation on the part of the coach and captain, a team, presenting both a good defense and a good offense, was decided upon.

On the picture of the baseball team the players are, left to right: kneeling, E. Andra, W. Bean, U. Falk, L. Wetta, E. Winter, A. Forster, B. Peltzer; standing, P. Lies, D. Reichenberger, L. Raple, T. Bogner, R. Reichenberger, J. Seiler, W. Voegeli, R. Strunk, W. Haukap, J. May and W. Knoblaugh.

Track

Before the past year the Andale Hawks did not participate in track to a very great extent, but this year a squad of about ten hopefuls reported. The track team attended several meets, the most important of which were those at Sterling, Hutchinson, and the Sedgwick County Meet at Cheney. In the last mentioned, they placed fourth.

The track team on the picture are, left to right: kneeling, G. Kerschen, P. Kraus, M. Stallbaumer, A. Schaplowsky, R. Orth, J. Schmitz, V. Breitenbach, E. Freund; standing, R. Winter, J. Cochran, B. Klein, P. Fouquet, R. Unger, R. Breitenbach, W. Freund and K. Fouquet.

Girls' Sports

Although the girls' athletic team didn't enter inter-school competition, each class had regular gym periods twice a week.

These hours which the girls took during study periods consisted of such things as: limbering-up and tumbling exercises, drills on correct posture, basketball, volleyball and tennis.

Spring softball occupied the girls' activity period from three to four each afternoon. It was climaxed by a game with St. John's Academy girls and participation in their play day.

Hawks' Pep Club

Last September the Hawks' pep club was reorganized with Wilma Kaltenbach, Margaret M. Kocour, Archie Forster, Leo Wetta as the cheer leaders. Many new cheers, some to the tune of popular songs, were added to the old cheers.

Under the sponsorship of Miss Arensdorf the girls acquired new uniforms composed of black skirts, yellow blouses, and black sweaters. These uniforms were worn at every sport event by the girls. With pennants flying overhead and peppy cheers, this club was instrumental in keeping up the spirits of the boys and in creating more enthusiasm and loyalty for the home team.

Music Notes

During the years '39 and '40 the A. H. S. has advanced much in the field of music. New equipment, more practice, and excellent directing gave us many opportunities for further advancement. This department includes the band, girls' and boys' glee clubs, mixed chorus, and quartette—all under the direction of Mr. Stucky.

The first major music production staged in the new auditorium was the operetta, "Oh Doctor", presented on February 4. This production, a musical comedy, was very successful and displayed much new talent. On March 15, our school was host to the Sedgwick County Music Students from eleven schools. The festival proved to be a success.

The District Music Festival was held at Wichita University on April 12th and 13th. The participating groups and their ratings were: mixed chorus, good; boys' glee club, excellent; girls' quartette, excellent. Those students who presented solos and the ratings they received were as follows: Jon Cochran, boys' low voice, highly superior; Alphonse Schaplowsky, baritone horn, excellent; Wilmer Freund, trumpet, good; Edith Winter, violin, good; Margaret Mary Kocour, girl's medium voice, excellent; Jeanette Winter, piano, average; and Wilma Kaltenbach, saxaphone, excellent.

May 1st the girls' quartette and two soloists, Alphonse Schaplowsky and Jon Cochran, attended the All-State Festival at Emporia.

The last music event this year was the musical which was given on the evening of May 10th. This was an enjoyable recital of accomplishment.

Dramatics

Stage equipment was not added until December; therefore dramatics were at a standstill until December 7th, when the contest play, "In the Dark", was presented. The cast included Alphonse Schaplowsky as Doctor Herrick; Jon Cochran as George Ashfield; Doris Gorges as Mrs. Mason; and Rita May as Gracie. Jon rated as the best actor of the group.

The Christmas program was presented by the seniors of '40. It consisted of three very interesting one-act plays, "The Nativity", "In the Dark", and "Pop Reads the Christmas Carol". The cast of "The Nativity" included Josephine Neises, the Virgin; Urban Falk, St. Joseph; Rita Batka, Angel Gabriel; Susan Raple as the reader; Gene Winter, Leo Wetta and Jon Cochran as the Three Kings. The remainder of the class were the angels and shepherds. The cast of "In the Dark" has been named above. The cast of "Pop Reads the Christmas Carol" included Richard Orth as Mr. Jones; Mathilda Lies as Mrs. Jones; Leo Wetta as Junior Jones; Margaret Mary Kocour as Mary Jones; Viola Ast as Jane; Jon Cochran as Paul Jones; Junior Schmitz as Jack.

The one-act farce, "If Men Played Cards as Women Do", was presented at an assembly and again at a P. T. A. meeting. The characters were Alphonse Schaplowsky as John; Junior Schmitz as Bob; Richard Orth as George; and Jon Cochran as Marc.

Last, but indeed not least, the three-act comedy, "Too Many Smiths", was presented by the junior class. The cast included Virginia Ast as Jane Fairfield; Gerald Kerschen as Sam Ziegler; Victor Breitenbach as Rafael Garcia; Martha Seiler as Irma Smith; Lorraine Horsch as Peggy Jarvis; Archie Forster as Stephen Smith; Mary Raple as Vesta Smith; Melvin Stallbaumer as John Smith; Esther Seidl as Emma Smith; Bill Peltzer as Jack Smith; Rose Marie Faber as Della Smith; and Francis Raple as Felix Flannery.
